GOD COUNTS

NUMBERS IN HIS WORD AND HIS WORLD

IRENE SUN

**In the beginning,
God created numbers.
Numbers declare the glory of God.**

One tells us that God is the first and best.

The Lord, he is God.
There is no other.
God is the **one** and only,
the **only one**.

DEUTERONOMY 6:4

2 **Two** tells us
we are not alone.

In the beginning,
God made two people,
Adam and Eve.
They walked with God, side by side.
They talked to God, face to face.

Adam and Eve were
not like the animals.
They looked a lot like each other,
but also a little bit different.
Most of all, they looked like God.
